

"From Moment to Movement" Resource Guide

The Time is Now!

ABFE President & CEO Susan Batten Taylor urges Philanthropy not to forget Ferguson:

I know that the ABFE membership has been following the situation in Ferguson, since the murder of Michael Brown. Funders across the country have been exploring responses to effectively support the citizens of Ferguson, including members of ABFE's Black Male Funders Learning and Action Network (LAN).

ABFE Makes a Point: Unarmed and Black:

<http://www.abfemakesapoint.org/uncategorized/unarmed-and-black-philanthropys-challenge-to-address-an-old-sad-story/>

Each LAN member has made a personal pledge or contribution of at least \$50 to support the St. Louis-based initiative, [The Organization for Black Struggle](#). We are challenging the ABFE network to do the same.

Donations should be sent to the Youth Council for Positive Development (the OBS fiscal agent) at PO Box 5277, St. Louis MO 63115 or to the YCPD's Paypal account. <http://positiveyouthdev.com/support/>
